

Land Stewardship Agreement

Re: Property located at: Lot _____ Concession _____, in the **Township of Huron-Kinloss**, in the County of Bruce.

I _____ being an executive member of the Pine River Watershed Initiative Network, agree on behalf of PRWIN to encourage and support the natural succession of the restored acreage through our ongoing maintenance and monitoring program involving: mulching, mowing, hand spraying, replanting, sampling, and photo documentation

I/We _____ being the owner of said property, agree to encourage (i.e., not intentionally destroy) the natural succession of the restored _____ acres, located at the property stated above that is being restored with _____, _____, _____, _____, with the significant funding by _____ for a minimum period of ten years following the installation of project materials.

I/We understand that public funds are being committed for natural habitat and watershed restoration on this property and that intentional removal or destruction of project materials (e.g., _____, _____, _____, _____) will be in conflict with this agreement.

I/We being the owner of said property agree to contribute the following in-kind, for the betterment of this project:
